

***Exam results for "Fundamental Algorithms (12 CFU)", Masters in Medical Bioinformatics, Univ. of Verona. Exam 15 Sept. 2020***

The following students have passed both exams and can have the total grade registered as indicated:

matricola	mod. 2	mod. 1	total grade
VR437110	20	22	21
VR446718	21	21	21
VR450945	26	21	24
VR451897	24	24	24
VR452028	19	23	21
VR453729	23	26	25

Please let us know (via email) if you would like to have this grade registered. Otherwise, you will be able to keep the option of retaking one or both exams at any later exam session; your current grades will remain valid at least until Feb. 2021.

(N.B. You can have the current grade registered at any future session. But if you do take one of the exams again, then your previous grade for that exam will be replaced by the new one.)
